Prime Minister of Australia

Australia

Dear Prime Minister

To protect the Torres Strait Islands and the human rights of First Nations Peoples,  
I call on your government to take adequate and human rights-consistent climate  
action by rapidly reducing carbon emissions in line with the world commitment of  
limiting global warming to 1.5°C and in line with the best available scientific research.  
Your government currently states that by 2030 it will reduce emissions 43% below  
2005 levels. This is not enough to save the Torres Strait Islands. Leading climate  
scientists on the Climate Targets Panel calculate Australia's greenhouse emissions  
need to be reduced by 74% by 2030.

Yours sincerely
